Experience

The Mighty Engine | Philadelphia, PA

Senior Graphic Designer | AUG 2021–present

At The Mighty Engine my role is second in command to the Art Director. Our team performs turnkey from concept to execution for non-profits. Some of the work includes event design & promotion, extensive print collateral, web design, and city-wide interactive campaigns.

Compass Sign | Bensalem, PA

Freelance | AUG 2018–2021

I was brought on to the team to reformat and reflow the company website and establish social media accounts such as Instagram and Facebook. As well as enhance the design elements used for promotional merchandise.

Office of Sustainability | Temple University | Philadelphia, PA

Media Eco-Rep | AUG 2020–MAY 2021

I designed the office's annual report to be shared online and throughout the professional community of universities, along with creating logos for sustainable campaigns and templates for social media.

Organic Imprints | New Hope, PA

Design Apprentice | SEP 2015–SEP 2018

At Organic Imprints I printed on scarves and bags using found materials like plants, fruits, vegetables, and metals. I was in charge of photographing and cataloging work, laying out designs and processing prints.
